I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I depend upon my monthly supply of natural HRT from Tradisb Pharmacy. I've tried synthetic HRT and felt horrible. The natural HRT keep my hot flashes controlled, and I feel great. Why would you risk my health and the health of thousands of other women today and tomorrow?
